

BALAJI LEATHER CREATION

- a) We are BSCI Registered (DBID No. 375911) located 10 minutes from JW Marriott.
- b) Monthly Capacity - Small leather goods - 50000 pcs
Handbags/Travel bags etc -12000 pcs
- c) Completely equipped factory to meet all kinds of critical designs.
- d) Another modern factory getting operational from April 2020.
- e) At the moment we are working with 20 leather types in different colours and mainly in Cow and Buff. They are mainly categorized into four groups
- Oil & Wax based leathers
 - Very good hand feel Nappa in different price categories with 7 to 8 colours in each category having a very naked and light finish look.
 - Semi Vegetable tanned body with two-tone look
 - High quality DD with flat and slight milling look in dull and medium shine.

Apart from the above, we have a very good collection of leathers in Economy price range for very keen prices. We also have different embossed leathers with animal prints, croco and foil leathers in various looks and colours.

- f) Metal Fittings - Currently we are working in 6 to 7 new colours.

- Matt Black
- Old Gun Look
- Old Brass Look
- Matt Gold
- Antique Silver
- Pearl Nickel
- Dark O.E.B
- Antique Black

Our office in China handles all the sourcing and we can customize all fittings with the brand names engraved on it.

- g) Lining - Some of our most popular lining

h) Markets - We supply mainly to Northern and Central Europe and UK to some good brands. We have been able to keep our existing customers satisfied for more than a decade.
