IGT EXPORTS LIMITED
Kolkata, India**

IGT is one of the leading manufacturers of leather goods in India, and was established in 1972. It is a Government of India recognized Star Export House and has been striving for the last 46 years with the sole objective of providing world class products to its customers.

With its Head Office located in Kolkata, IGT has a modern Design team which recognizes the exact needs of its customers and thereby makes samples and prototypes as per the customers' specifications. In the fast changing tastes and likings of the fashion world, our sample team is able to recognize the specific needs of the modern consumers. Equally efficient is our production department who can make 25000 pcs bags and 100000 pcs of wallets per month.

The company is professionally run by Mr. I S Sawhney, Chief Executive Director, Mr. Cappy Sawhney, Director (Overseas Sales) and Mr. Nick Sawhney, Director (Exports). In total, each and every member of IGT continually put in their best with zeal and passion to develop and introduce new products through research and development and to live up to the expectations of our scores of satisfied customers.

IGT has a global presence with its sales/support office located in New York, USA and purchase offices located in Hong Kong and China to source the best hardware and accessories needed for our products. Raw hide is bought from different parts of the world like USA, South America, Turkey and South Africa in addition to a vast supply chain of finished leather from different parts of India. All this enables us to offer products of different price categories to customers according to their requirements.

In conclusion, IGT thanks all its customers of big brands and departmental stores located all over the world who have extended their support and encouraged it to become a leader in the leather goods industry. To recompense this endless support, IGT promises to live up to their expectations and offer only the best products to its customers.
