PRESERVE | PROTECT | PRODUCE

Hi,

We are manufacturers and exporters of premium finished Leather goods from India. We are an established 21 year old company and supply to prestigious private labels and brands world-wide. We manufacture **Sustainable Leather Products** with fewer MOQ's, less Lead times and attractive Price points. We employ **100% Vegetable Tanned Leather** for our products, and we offer a versatile manufacturing capacity with professional work ethics. Our factories and offices are located in Kolkata.
