

Company Name - Network Leather Goods Pvt Ltd

Director - Mr.Anurag Fatehpuria

Network Leather Goods Pvt Ltd was established in 1989 and over the years our products have found a consistent market in most of the European countries , USA , Russia and Australia. In our 30 years of operations, we have closely worked with respectable brands , sometimes assisting them to establish themselves in the market from scratch . Over the years we have understood that for brands to succeed in the markets, consistent quality and timely delivery is a must and it is our constant endeavor to achieve this for all our customers.

To this end, we are ably assisted by a team of 150 inspired craftsmen and supervisors. Our team successfully combines modern production techniques with authentic craftsmanship to deliver products which have found a lot of appreciation with end consumers. Our manufacturing facilities are located in two of Kolkata's prestigious leather hubs , namely Kasba Industrial Estate and Bantalla Leather goods Complex. These facilities give us a capacity to turn out 50,000 pieces of wallets , purses and accessories per month.

Product Range – Gents wallets , Ladies purses , Spectacle cases, Key purses , Tray purses , Laptop bags , Toilet bags and Passport Covers.

Production Capacity - 50,000 Pcs Per Month(At present)
